Since it was first published in 1983, *Best Lawyers* has become universally regarded as the definitive guide to legal excellence.

Best Lawyers has published their list for over three decades, earning the respect of the profession, the media, and the public as the most reliable, unbiased source of legal referrals. Its first international list was published in 2006 and since then has grown to provide lists in over 75 countries. President Phil Greer adds, "We are extremely proud of that record and equally proud to acknowledge the accomplishments of these exceptional legal professionals."

Lawyers on *The Best Lawyers in America* list are divided by geographic region and practice areas. They are reviewed by their peers on the basis of professional expertise, and undergo an authentication process to make sure they are in current practice and in good standing.
