[Curriculum Vitae](#)

LOUIS R. PEPE is a litigation attorney

who focuses his practice on business torts and contract disputes and construction contract cases. He represents his clients in state and federal courts as well as in arbitration, mediation and other ADR proceedings.

Mr. Pepe received a B.Mgt.E. degree and an M.S. in Management from Rensselaer Polytechnic Institute, and a J.D., *with distinction*, from Cornell Law School. He is admitted to the practice of law in Connecticut and before the United States Supreme Court and numerous federal district courts and courts of appeal.

He has taught in seminars presented by the Connecticut Bar Association on trial practice and has presented seminars in business and construction litigation throughout the country. Mr. Pepe has also taught a course on arbitration at the University of Connecticut Law School.

Mr. Pepe is a former president of the Connecticut Bar Association (2005-2006), a Fellow in the American College of Trial Lawyers and the American College of Construction Lawyers, an Associate of the American Board of Trial Advocates, and a Fellow in the Connecticut Bar Foundation and the American Bar Foundation.

He is a member of the American Arbitration Association's panels for Large, Complex Commercial Cases, International Cases, and Mega Project Cases, and its Construction Master Mediator Panel. He is also a member of the arbitration panel of the International Institute for Conflict Prevention & Resolution.

Awards

- Martindale-Hubbell AV Preeminent Rated (2023) - Martindale-Hubbell's highest peer rating standard. This is given to attorneys who are ranked at the highest level of professional excellence for their legal expertise,

Cases

Results may vary depending on your particular facts and legal circumstances

- Counsel to EPC Contractor for prosecution and defense of claims involving construction of a 500 MW offshore wind farm in the UK (LCIA Arbitration, London).
- Successful prosecution and settlement of claims in an ICC arbitration for \$700 Million and extensions of time on behalf of an international EPC contractor against the owner of a \$1 Billion crude oil upgrader project in Venezuela.
- Recovery in international arbitration of \$9 million on behalf of the EPC contractor for a power recovery system in a St. Croix oil refinery.
- Recovery of \$21 million for the developer of a casino for an Indian Gaming Commission that wrongly terminated the developer's management agreement.

- Representation of a structural steel contractor in a corporate defamation case in which the contractor claimed destruction of its bonding capacity and subsequent loss of business, which resulted in a jury verdict of \$11.6 million -- the largest jury verdict ever obtained in Connecticut to that time.
- Representation of a general contractor in federal court suit for breach of an oral contract to award to it a project, which resulted in a jury verdict of \$2.25 million in his favor.
- Successful defense of an international EPC contractor against the owner's claim for cost overruns arising out of the design and construction of a \$100 million gold ore processing facility in Chile.
- Representation of an international EPC contractor in \$65 million claim for additional compensation (and defense of owner's counterclaim) arising out of an oil refinery project in Singapore.
- Representation of international EPC contractor against owner's claims for cost overruns arising out of the design and construction of a \$1.1 billion gold/ore processing facility in Argentina.
- Representation of a national general contractor in negotiations with its surety/lender for the restructuring of a \$30 million debt and pursuit of claims in joint effort with surety.
- Representation of a general contractor on a claim against the state arising out of the construction of a large hospital and medical research center, which required a fourteen-month trial and resulted in a judgment in favor of that client for \$11 million.
- Prosecution of claims for a surety that completed three large public housing projects after the bonded contractor was wrongfully terminated. The federal court suit resulted in a settlement of more than \$20 million from the owner of the projects.
- Representation of a general contractor against a Connecticut municipality for claims arising out of the construction of a wastewater treatment plant, which involved 20 arbitration hearings over a full year and resulted in an arbitration award of nearly \$1.65 million.
- Representation of a plaintiff claiming wrongful termination of a construction management contract, which resulted in a jury verdict of \$1.4 million plus punitive damages.
