Aviation

Covering the aviation industry, as lawyers and as pilots

Our Aviation law practice encompasses a full range of transactional, regulatory and litigation matters. Our law firm's experienced aviation lawyers, some of whom are also licensed pilots – together with our attorneys in other practice groups, including employment law, bankruptcy and litigation – provide representation covering aviation industry needs, including:

- Aircraft Sales and Purchases
- Aircraft Financing and Leasing
- Formation of Companies for Joint Purchase of Aircraft
- Disputes Involving Aircraft Transactions and Accidents
- Pilot Regulatory Matters
- FAA and NTSB Administrative Proceedings
- General Representation of FBOs and Flight Schools
- Tax Advice Related to Ownership and Operation of Aircraft
- Employment Related Matters
- Hangar Construction, Purchases and Leasing
- Commercial Drone Operations, including FAA Section 333 Exemptions

Firm Partner and Chairman of the Aviation Practice, Albert Pucciarelli, also serves as Chairman of the New Jersey Bar Association Committee on Aviation Law, and is past Chairman of the New York City Bar Association Aeronautics Law Committee.
